The first surface drive motor built under 9 Horsepower. Our Mud Motors include 627 cc, 23 HP V-Twin - 570 cc, 18 HP - 12 HP LCT - 7 HP Kohler. Copperhead is the first mud motor company to design and engineer a true surface drive mud motor. Light weight and powerful for those who love to hunt and fish the shallow back waters.

Motors | Copperhead Mud Motors

Bottom line, if I don't want to have my happy stolen by thick patches of mud, water hyacinth, and alligator grass, then I need a mud motor like bird poop needs a freshly waxed sports car. So, I priced a new mud motor with an engine ranging in horsepower from 6.5 to 9 HP. And guess what?...Yeah, that crap just ain't gonna happen.
