Crypto Trading 101: Simple Charting Patterns Explained ...

Chart patterns, a subset of technical analysis (TA) to me, are often the starting point for many traders. Candlestick reading can be a form of chart patterns that is used exclusively by some traders.

Chart Patterns - All Things Stocks - Medium

Here's my personal feeling (not a textbook): On an intra-day chart, the Dark Cloud Cover and Harami are essentially the same patterns. I would not suggest spending precious day trading time splitting hairs of how you name this candle.. Similar to a traditional Harami, this pattern can work as a reversal, but it also can be equally neutral.
