Abdul-Majid Wazwaz is the author of A First Course in Integral Equations (2.80 avg rating, 20 ratings, 0 reviews), A First Course In Integral Equations (...)

Abdul-Majid Wazwaz (Author of A First Course in Integral ...

The first 39 pages make up 98 percent of the book, and the last 500 pages make up the last 2 percent of the book. I am using this book this semester for a first abstract algebra course, and it might well be an excellent book, I don't know yet. However, I am completely unimpressed with the Kindle book and regret paying even \$4.99 for it.
