**Adhd Nation Alan Schwarz**  
At its core, A.D.H.D. Nation is a story -- not just of the disorder itself, which has evolved over more than 50 (some would say 200) years, but of children, doctors and drug companies who have led us to the point where 15 percent of American youngsters get diagnosed with it.

**ADHD Nation | Alan Schwarz Home**  
In ADHD Nation, Alan Schwarz examines the roots and the rise of this cultural and medical phenomenon: The father of ADHD, Dr. Keith Conners, spends fifty years advocating drugs like Ritalin before realizing his role in what he now calls "a national disaster of dangerous proportions"; a troubled young girl and a studious teenage boy get entangled in the growing ADHD machine and take medications that backfire horribly; and big Pharma egregiously over-promotes the disorder and earns ...
