Alien Out Of The Shadows

Alien: Out of the Shadows is a 2014 novel written by Tim Lebbon and published by Titan Books. Set between Alien and Aliens, the book chronicles Ellen Ripley's involvement in a Xenomorph outbreak on the planet LV-178 and the mining vessel in orbit above it. The survivors' attempts to escape the creatures are further complicated by Ash, whose A.I. consciousness has survived inside Narcissus, the shuttle that brought Ripley to them. Besides standard print editions, in 2016 the novel was released in

Alien: Out of the Shadows - Wikipedia

Lebbon's care for words and attention to detail proves to be profoundly rewarding, as Alien: Out of the Shadows is the finest venture back into the world of the xenomorph since Ridley Scott's Prometheus (which, in my opinion is only eclipsed by Alien and Aliens, despite the fact that I love the silly Alien vs. Predator).
