Beyond Performance Management Why When

Ultimately, his book amounts to a strong critique of managers. [It] will challenge their prejudices about some management tools at least and force them to consider whether the weaknesses they perceive lie not in the tools but within themselves.”
“Beyond Performance Management is Hope’s last book, as he died shortly before it went to press. He will be missed for his plain-speaking and incisive, unsparing critique of modern management, at a time when those qualities are very badly needed.”
