**Blessed Are the Consumers: Climate Change and the Practice ...**

[2] In *Blessed Are the Consumers: Climate Change and the Practice of Restraint*, Sallie McFague asserts that the world's consumers need to be transformed by a message of restraint, and this message is best delivered by religions (x). McFague believes that the Christian concept of "kenosis," or self-emptying, can lead Christians through a process of transformation that leads to a willingness to exercise restraint (xi, 2).

**"Blessed Are the Consumers: Climate Change and the ...**

Sallie McFague has made a career of using theology to bring critique against our nature-denigrating, capitalist culture. Her most recent book, *Blessed Are the Consumers: Climate Change and the Practice of Restraint*, is the culmination of that career. The book is organized around the biographies of three Christian saints whose stories McFague uses as examples of restraint as response to injustice.
