approach to training.

### **Bony to Beastly - Home | Facebook**

Bony to Beastly's our program that teaches ectomorphs how to gain weight—or more specifically how to gain muscle. Both Jared and I struggled through our entire teens and early 20s with skinny boyish bodies. We decided to change once and for all, saw tremendous gains, and 4 months later we were, well, a hell of a lot heavier.

Bony to Beastly. July 14 at 7:55 AM · One of the questions people often ask is whether free weights are better than exercise machines for stimulating muscle growth. Up until recently, it was hard to say. We had to rely on electromyography (EMG) research. The researchers would cover the participants in electrodes, have them do a variety of ...
