mean you're accepting it's going to be that way forever. A decade later, the relationship I now have with my dad is galaxies different from what it used to be. I wouldn't say that's due entirely to acceptance, but it does show that acceptance doesn't always mean whatever you're accepting will be that way forever.

**Should Know About
Acceptance Of**

Acceptance turns out to be one of the most helpful attitudes to bring to mindfulness. Acceptance means perceiving your experience and simply acknowledging it rather than judging it as good or bad. For some people, the word 'acceptance' is off-putting - replace it with the word 'acknowledgement,' if

Acceptance is the answer to all my problems today. I've used the phrase "That's unacceptable!" about eleven thousand times in the 50 years I've been roaming this planet. It's my go-to phrase when some person, place, thing, or situation isn't behaving exactly the way that I, in all my highly evolved wisdom, thinks

**'Acceptance' By Jeff
VanderMeer : NPR**

Acceptance is a virtue that doesn't require any form of doing in the "physical sense" of the word, it's a chosen way of being. Choosing acceptance as your predominant way of "being" transcends the limitations of the intellect opening your eyes to the matrix of illusion that so many who find themselves caught in seemingly
