But Not The Hippopotamus. by Sandra Boynton. Little Simon, 1984, 13 pages. Hippo doesn't seem to be included in much of what her friends are up to. For example, we learn on the very first page of this board book, that "A hog and a frog cavort in the bog... but not the Hippopotamus."

### **Really Good Reads: But Not The Hippopotamus**

Several animals are out having fun, a hog and a frog play in the bog, a cat and some rats try on hats etc... but not the Hippopotamus. The hippo lurks in each scene lonely and excluded until finally the others invite her (him? does it matter?) to join. But then we see a new animal excluded, and the girls instantly get it. They should welcome everyone.

### **Amazon.com: Customer reviews: But Not the Hippopotamus ...**

Sandra Boynton has created a lot of lovable animals in her books. It is usually the Turkey who gets things wrong or is left out. In this book there are no turkeys."A cat and two rats are buying new hats. But not the hippopotamus."That sets the feel for this story of the lonely hippo who seems to be left out of all of the fun.
