Started on a YZinger, then yz50, yz80, yz 125, mx180, and tt350 - all older Yamaha 2 and 4 strokes - nothing newer than mid 90's - none of which needed to find the compression stroke or wouldn't start in gear with the clutch pulled in. Just pull out the lever and crank it a few times...I haven't ridden in 10 years so I am just getting back into the sport and things sure have changed! I just ...

2010 YZ450F Issues - YZ400F/426F/450F/450FX - ThumperTalk
Yamaha's profilation of this bike YZ450F's new rearward-slanted cylinder is a revolutionary advancement that achieves unmatched mass centralization, concentrating inertial mass toward the center of the machine. This bold new design also swaps traditional intake and exhaust positions, putting the lightweight airbox and throttle body out front.

YZ125 1994-2001

It seemed as if Theodore Roosevelt's biographers had closed the book on his life story. But Ryan Swanson has uncovered an untold chapter! (Johnny Smith, coauthor of Blood Brothers: The Fatal Friendship between Muhammad Ali and Malcolm X). Crippling asthma, a frail build, and grossly myopic eyesight: these were the ailments that plagued Teddy Roosevelt as a child. In adulthood, he was diagnosed with a potentially fatal heart condition and was told never to exert himself again. Roosevelt's body was his weakness, the one hill he could never fully conquer!and as a result he developed what would become a lifelong obsession with athletics that he carried with him into his presidency. As President of the United States, Roosevelt boxed, practiced Ju-Jitsu, played tennis nearly every day, and frequently invited athletes and teams to the White House. It was during his administration that America saw baseball's first ever World Series; interscholastic sports began; and schools began to place an emphasis on physical education. In addition, the NCAA formed, and the United States hosted the Olympic Games for the first time. From a prize-winning historian, this book shows how Roosevelt fought desperately (and sometimes successfully) to shape American athletics in accordance with his imperialistic view of the world. It reveals that, in one way or another, we can trace our fanaticism for fitness and sports directly back to the twenty-sixth president and his relentless pursuit of The Strenuous Life. Essential reading for anyone who cares about the history of sports in America. Michael Kazin, author of War against War: The American Fight for Peace, 1914-1918

Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

PW50 (1981-1983; 1985-1987; 1990-2002), PW80 (1983; 1985; 1991-2002), BW80 (1986-1988; 1990)

YZ250 1994-1998

Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.

If you're stuck in a dead-end job, afraid to transition into something bigger and better, not knowing what your next move should be, or just terrified going on job interviews, then I have the solutions for you.
