The Fire Chief ' s Handbook, 7th Edition continues Fire Engineering ' s 82-year tradition of publishing the definitive resource for advanced fire service training. The text has been completely updated to meet the changing environment and added responsibilities of the fire service. Returning authors have rewritten their chapter to address today ' s leadership and administrative concerns, while new authors are also introduced to offer new perspectives. This comprehensive guidebook is designed for firefighters, company officers, and chief officers of all ranks and department types who want the latest information on the fundamentals of leadership in the fire service, as well as managing the day-to-day operations of a fire department.

Now going into its 9th edition, the successful textbook Book-keeping and Accounts is a vital guide for students undertaking studies of book-keeping and accounting for the first time. Through its gradual introduction of topics, explanation of technical terminology in a clear, easy to understand way, this text provides an accessible and reliable guide for any student in their undergraduate career. New to this edition: - Fully compliant with International Financial Reporting Standards (IFRS), with current IFRS terminology. - Questions and exercises to test your understanding and help with revision. - Selected chapters amended and re-structured. - Full explanation of HMRC changes in VAT relating to cash discounts. - Illustrations and diagrams to help explain key concepts. - Updated ' learning objectives ' and ' chapter summaries ', to reflect developments in the financial environment. - Easy to understand to double entry book-keeping using the ' IN ' and ' OUT ' approach. With its highly regarded authorship this text is used by lecturers for teaching students undertaking the following qualifications and examinations: Association of Accounting Technicians (AAT), International Association of Book-keepers (IAB), A Level Accounting, Oxford Cambridge and Royal Society of Arts (OCR), and as a general foundation text for personnel employed in the accountancy profession. Accompanying the text is a collection of resources to support both lecturers and students which can be found at www.personoed.co.uk/wood - For instructors : Solution ' s manual, and Powerpoint slides - For students : Opportunities to practise and additional support with our companion website

Weissenberger's Federal Evidence, 7th Edition, is a concise, single-volume treatise that offers the practitioner complete coverage of the Federal Rules of Evidence. For ease of use, the text is organized by rule, and each rule-based chapter provides a thorough analysis of a rule, the opinions interpreting it, and its application in federal court. The historical development of the rules is traced by the Committee Notes found in the appendix. Completely indexed.
