One small act of kindness ripples out to connect four kids in this stirring novel by the author of the beloved The Benefits of Being an Octopus. Libby comes from a long line of bullies. She wants to be different, but sometimes that doesn ' t work out. To bolster herself, she makes a card with the message You are amazing. That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost—be it from dealing with bullies, unaccepting families, or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it ' s bravery, empathy, or understanding. Because it helps them realize they matter—and that they're not flying solo anymore.
