Although most people know Bruce Lee as an actor and a martial artist, he was also something of a philosopher, at least in his notebooks. And, annoyingly, he was good at that too. I have always found Lee's reflections on life and consciousness to be insightful, and they are the more impressive when one realizes how young he was when he had these insights.

Gentleness was key to Bruce Lee's philosophy of life and practice as an artist. Bruce equated gentleness with his idea of emptiness, non-resistance internally, the place in which the moment can happen and where spontaneous action springs from. Gentleness equals life. Gentleness is strength.

A behind-the-scenes look at the life of the most extraordinary martial artist of all time—Bruce Lee. Bruce Lee: The Celebrated Life of the Golden Dragon is a photographic catalog of all facets of this fascinating man, from the start of his career to his untimely and tragic death in 1973. This book reveals a quiet family man behind the charismatic public persona. It shows the real Bruce Lee—the man who was so much more than an international film and martial arts celebrity. This brilliant photo essay—compiled and edited by Bruce Lee expert John Little with the assistance of Lee's widow, Linda Lee Cadwell—reveals never-before-published family photos, including rare photos of Bruce's childhood in Hong Kong. Tender moments with his children are caught on camera and action shots from his martial arts films are shown. With a preface by his daughter Shannon Lee and a foreword by wife Linda, the text is drawn directly from Bruce Lee's own diaries and journals. Based on the award-winning Warner Bros. documentary, Bruce Lee: In His Own Words, sections include: Chronology of the Life of Bruce Lee Early Years—why he began studying gung fu (kung fu) and took up wing chun, his first starring role, and his return to the US Hollywood—why he got the part in The Green Hornet, teaching Steve McQueen, James Coburn and Stirling Silliphant, filming Enter the Dragon, The Way of the Dragon, Fist of Fury and more, training and acting with Chuck Norris, Kareem Abdul-Jabbar, Dean Martin and Sharon Tate, and the creation of Jeet Kune Do (JKD) Family—meeting Linda, having children, daily life This Bruce Lee Book is part of Tuttle Publishing's Bruce Lee Library which also features: Bruce Lee's Striking Thoughts Bruce Lee's The Tao of Gung Fu Bruce Lee Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee Jeet Kune Do

“The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate” (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actor in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

"A teacher is never a giver of truth—he is a guide, a pointer to the truth that each student must find for himself. A good teacher is merely a catalyst."—Bruce Lee Within the pages of Striking Thoughts, you will find the secrets of Bruce Lee's amazing success—as an actor, martial artist, and inspiration to the world. Consisting of eight sections, Striking Thoughts covers 72 topics and 825 aphorisms—from spirituality to personal liberation and from family life to filmmaking—all of which Bruce lived by. His ideas helped energize his life and career, and made it possible for him to live a happy and assured life, overcoming difficult obstacles with seeming ease. His ideas also inspired his family, friends, students, and colleagues to achieve success in their own lives and this personal collection will help you in your journey too. Sections include: On First Principles—including life, existence, time, and death On Being Human—including the mind, happiness, fear, and dreams On Matters of Existence—health, love, marriage, raising children, ethics, racism, and adversity On Achievement—work, goals, faith, success, money, and fame On Art and Artists—art, filmmaking, and acting On Personal Liberation—conditioning, Zen Buddhism, meditation, and freedom On the Process of Becoming—self-actualization, self-help, self-expression, and growth On Ultimate (Final) Principles—Yin-yang, totality, Tao, and the truth This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world—including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce

Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

A collection of interviews with the martial arts master reveals his personal philosophy and thoughts on such issues as racism, success, and the challenges and triumphs of his personal and professional life
