Bible What does current New Testament research have to say to people today? Daniel Harrington and Christopher Matthews present these essays of contemporary scholarship on Jesus as we know him through the scriptures. This timely collection invites the reader into a deeper relationship with Jesus. Book jacket.

THE BIBLE AS PRAYER is an anthology of short phrases and passages from the Bible designed specifically as an aid to prayer. It is a resource to keep at hand in pocket or briefcase, enabling the reader to engage quickly with the business of praying. As early as the third century, monks would take short phrases from the Scriptures and meditate on them in their hearts or on their lips. Out of this developed the Jesus Prayer in the East and lectio divina in the west. This book aims to return to the source, drawing both traditions together and helping busy people in the 21st century to rediscover a simple form of meditation. Every page of this unique book has some words to help the reader open heart and mind to the One who prays in us.
