Take advantage of our pre-publication price and order now! What can change the landscape of literacy education in every classroom? The Fountas & Pinnell Literacy Continuum: Expanded Edition! The Fountas & Pinnell Literacy Continuum: Expanded Edition is the newest edition of the beloved Continuum of Literacy Learning resource by best-selling literacy authors and educators, Irene Fountas and Gay Su Pinnell. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in-depth, more intuitive, and more essential than ever-The Fountas & Pinnell Literacy Continuum, Expanded Edition enables teachers to construct a common vision for student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. The Literacy Continuum provides a way to look for specific evidence of learning from prekindergarten through grade eight, and across eight instructional contexts. Each instructional context contributes substantially, in different but complementary ways, to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of The Literacy Continuum's critical role in transforming literacy teaching and learning. (Re)Discover The Fountas & Pinnell Literacy Continuum, Expanded Edition to: elevate your language and literacy expertise develop an understanding of the demands of texts on readers build your understanding of the reading and writing process and how it changes over time hone your observation of students' literacy behaviors teach toward student integration of the Systems of Strategic Actions articulate the literacy curriculum within and across grade levels activate the responsive teaching that meets students where they are and brings them forward with intention and precision build professional learning opportunities with colleagues create a common vision and common language for literacy in your school. Look for these new enhancements inside: Streamlined organization and navigation Expanded behaviors and examples across the continua First appearance of a behavior or goal or text characteristic is indicated by a red square (Behaviors are acquired and then elaborated over time) Clear organization of and explicit links to the Systems of Strategic Actions Four-color design for clarity and focus Also check out our new on-demand mini-course: Thinking and Talking About Books Across the Day.

From the winner of the Nobel Prize for Literature, Doris Lessing, a short story about a young boy's coming of age.

Every major measure of students' historical understanding since 1917 has demonstrated that students do not retain, understand, or enjoy their school experiences with history. Bruce Lesh believes that this is due to the way we teach history -- lecture and memorization. Over the last fifteen years, Bruce has refined a method of teaching history that mirrors the process used by historians, where students are taught to ask questions of evidence and develop historical explanations. --from publisher description.
