Eric Clapton Official Website

Eric Patrick Clapton, CBE (born 30 March 1945) is an English rock and blues guitarist, singer, and songwriter. He is the only three-time inductee to the Rock and Roll Hall of Fame: once as a solo artist and separately as a member of the Yardbirds and of Cream. Clapton has been referred to as one of the most important and influential guitarists of all time.

Van Morrison has crafted yet another anti-lockdown tune, this time teaming with Eric Clapton. "Stand and Deliver," which dropped Friday, was written by Morrison and performed by Clapton.

Van Morrison teams with Eric Clapton for anti-lockdown ...

Last month, Morrison announced that he was teaming up with fellow boomer rock icon Eric Clapton for another one, "Stand And Deliver." It's here now, and it's more of the same shit.

Eric Clapton & Van Morrison Ask "Do You Want To Be A Slave ...

At a concert in 1976, Eric Clapton went on a racist rant, using deeply offensive racial slurs and calling for the deportation of non-whites from Britain.

Did Eric Clapton Once Unleash a Racist Rant Onstage?

Eric Clapton, one of the world's pre-eminent blues/rock guitarists, once again summoned an all-star team of six-string heroes for his fifth Crossroads Guitar Festival in 2019. Held at the American Airlines Center in Dallas, Texas, the two-day concert event raised funds for the Crossroads Centre in Antigua, the chemical dependency treatment and education facility that Clapton founded in 1998.

Eric Clapton - Eric Clapton's Crossroads Guitar Festival ...

A guitar formerly owned and played by Eric Clapton that was expected to fetch anywhere from \$1.5 million to \$2 million at auction this week failed to nab a single bid.. The 1954 Fender Stratocaster was up for auction via Gotta Have Rock and Roll from Nov. 25 to Dec. 5, and the minimum opening bid was set at \$1 million, but the auction came and went without a single bid being placed on the guitar.

Eric Clapton - Layla - YouTube

A guitar was all Eric Clapton needed to forge a career that many would dream of and he did it with the utmost gusto and compelling command of his weaponry. While many would attest to being swept up in the wave of creativity in the sixties, Clapton was a determined and focused player. He meant every single note.

7 of Eric Clapton's favourite guitarists of all time

Twitter has begun dragging Eric Clapton through his undeniably spotty past. But Clapton hasn't claimed to be protesting lockdowns. On the surface, it seems like Eric Clapton is drinking some of Van Morrison's Kool-Aid. Both of these way-past-their-prime legends have teamed up to create what's being called an 'anti-lockdown' protest song.

Relax - Eric Clapton Never Made 'Anti-Lockdown' Statements

Eric Clapton, original name Eric Patrick Clapp, (born March 30, 1945, Ripley, Surrey, England), British rock musician who was a highly influential guitarist in the late 1960s and early '70s and later became a major singer-songwriter.

Eric Clapton's Crossroads Guitar Festival 2019 also features appearances by Tedeschi Trucks Band, Lianne La Havas, Jimmie Vaughan, James Bay, Doyle Bramhall II, Robert Randolph, Los Lobos ...

From the bestselling author of *Shout!*, comes the definitive biography of Eric Clapton, a Rock legend whose life story is as remarkable as his music, which transformed the sound of a generation. For half a century Eric Clapton has been acknowledged to be one of music's greatest virtuosos, the unrivalled master of an indispensable tool, the solid-body electric guitar. His career has spanned the history of rock, and often shaped it via the seminal bands with whom he's played: the Yardbirds, John Mayall's Bluesbreakers, Cream, Blind Faith, Derek and the Dominoes. Winner of 17 Grammys, the Rock 'n' Roll Hall of Fame's only three-time inductee, he is an enduring influence on every other star soloist who ever wielded a pick. Now, with Clapton's consent and access to family members and close friends, rock music's foremost biographer returns to the heroic age of British rock and follows Clapton through his distinctive and scandalous childhood, early life of reckless rock 'n' roll excess, and twisting & turning struggle with addiction in the 60s and 70s. Readers will learn about his relationship with Pattie Boyd--wife of Clapton's own best friend George Harrison--the tragic death of his son, which inspired one of his most famous songs, "Tears in Heaven," and even the backstories of his most famed, and named, guitars. Packed with new information and critical insights, *Slowhand* finally reveals the complex character behind a living legend.

The legendary guitarist recounts the story of his life and his career, recalling his work with the Yardbirds, Cream, and as a solo artist; years of drug and alcohol abuse; failed marriage to Patti Boyd; and the accidental death of his young son.

Offers a chronology of Eric Clapton's later career, detailing tours, recordings, and setlists from his reunion with the three Yardbirds guitarists, Cream's reformation shows, and his performances with Steve Winwood.

From the Yardbirds to Cream, Blind Faith to Derek and the Dominos, and a hugely-successful solo career, Eric Clapton's fifty years in the music business can look like an uninterrupted rise to become one of the greatest guitar players who ever lived. But his story is as complicated as it is fascinating. Clapton's god-like skill with a guitar was matched by an almost equal talent for self-destruction. He has never shied away from telling the truth about his battles with drink and drugs - or the sometimes catastrophic impact they had on the other people in his life, including his first wife Pattie Boyd. And without those deep personal lows we may never have had the musical highs that won him millions of fans. His story is also one of a long but successful road to sobriety, redemption and happiness. *Motherless Child* chronicles Clapton's remarkable journey: the music, the women, the drugs, the cars, the guitars, the heartbreak and the triumphs are all here. The book includes interviews with some people close to Clapton who have never spoken on the record before. It explores his musical legacy as one of the most influential musicians of his generation, and as the keeper of the flame for the blues.

In 1994, Eric Clapton came across a Wayne Henderson guitar in a recording studio and decided on the spot that he had to have one. Rarer than Stradivarius violins, these musical works of art are built from

near-extinct Brazilian Rosewood, Appalachian spruce, black ebony, and fine mother-of-pearl. With Henderson's keen ear for the vibrations of each piece of wood he uses, each note that comes out of them has the power of a cannon and the sweetness of maple syrup. In *Clapton's Guitar*, Allen St. John recounts how a perfect acoustic guitar comes into the world and how an artist gauges perfection. Wayne Henderson, master luthier and genius in blue jeans, will tell you that he simply puts penknife to wood and carves away "everything that isn't a guitar." This is the story of a master artist, set deep in the mountains of southwestern Virginia in a brick, one-story guitar shop, as busy and chaotic inside as it is simple outside. The space is well-lighted, cluttered with power tools, air hoses, and guitar bodies in various stages of completion. It is in this modest shop that Wayne Henderson crafts some of the most highly coveted acoustic guitars on earth, including one very special instrument he built for Eric Clapton. Normally, there is a ten-year wait for a Henderson guitar, and St. John finds there are no exceptions even for an iconic figure like Clapton. But seeing it as a shortcut to getting his own guitar done, St. John jumps starts the process, and then takes readers with him on a mesmerizing journey into the heart of high-end instrument making with the man *The Washington Post* calls the "Mad Scientist of Mountain Music." Henderson, a small-town wise man, is not only the star of this book as a master guitar maker but also is the star of any stage he sets foot on as a master guitar player, equally at home at Carnegie Hall or the local VFW hall. Around this drolly humorous man circulates a small coterie of colorful characters and inspired musicians, who welcome you for an all-too-brief visit. By book's end, you too will want to be Wayne Henderson's friend. In a rich tapestry of folklore and folksiness, St. John tells the story of building the Clapton guitar in loving detail, from the centuries-old forests where great tonewood grows, to the auction floor of Christie's where one of Clapton's guitars commands over \$700,000. It's also a loving look at Wayne's corner of the world, the Blue Ridge mountain hamlets where American traditional music was born, and of Wayne's hometown of Rugby, Virginia, population 7, where the winding roads have kept progress at bay. Whether you love old-time music, unplugged rock, traditional American craftsmanship, or simply gifted storytelling, *Clapton's Guitar* is an engaging work that you will want to savor and share with friends.

(Easy Guitar). 17 Clapton classics arranged at an easier level, including: Change the World * Cocaine * Cross Road Blues (Crossroads) * For Your Love * I Shot the Sheriff * Lay Down Sally * Layla * Sunshine of Your Love * Tears in Heaven * Wonderful Tonight * and more.
