DIARY OF A GENIUS stands as one of the seminal texts of Surrealism, revealing the most astonishing and intimate workings of the mind of Salvador Dalí, the eccentric polymath genius who became the living embodiment of the 20th century's most intensely subversive, disturbing and influential art movement. Dalí's second volume of autobiography, DIARY OF A GENIUS covers his life from 1952 to 1963, during which years we learn of his amour fou for his wife Gala, and their relationship both at home in Cadaqués and during bizarre world travels. We also learn how Dalí draws inspiration from excrement, rotten fish and Vermeer's Lacemaker to enter his "rhinocerotic" period, preaching his postholocaustal gospels of nuclear mysticism and cosmogenic atavism; and we follow the labyrinthine mental journeys that lead to the creation of such paintings as the Assumption, and his film script The Flesh Wheelbarrow. edition includes a brilliant and revelatory essay on Salvador Dalí, and the importance of his art to the 20th century, by the author J G Ballard. Illustrated throughout, with over 60 works by the artist plus numerous documentary photographs.

A record of the artist's life between 1952 and 1963, kept at his home in Port Lligat in the south of Spain.

When does a character fall under the evil genius category? Victor Steingardt is the prototypical evil genius, (although admittedly not much), who is bent on ruling the world. At the start of the year, he picks up a journal and begins writing. Gary Patellas fiction, *Diary of an Evil Genius*, invites readers to follow this antihero's thoughts, taking a glimpse of how his mind works as his plans come to a close. Through his journal entries, readers are able to follow Victor's plans. Some entries deal with global domination, while others go off on a tangent. Seasoned with witty and conceited remarks, *Diary of an Evil Genius* contains reflections of past events, and reflections on events of the day. Henchmen are also given some depth as they step into the spotlight. Each reader will have his or her own feelings about Victor the calculating, misogynistic, egotistical mastermind with the sole aim of global domination who tries to show that he is different from all of the others that have tried to rule the world. But whether he is loved or hated, his writings are sure to be enjoyed by many.

I, Arjun Bhasin, am a genius. I've just been diagnosed with it. Once upon a time, I was an average Joe, neither at the top nor at the bottom. Heck, I was even the middle sibling! But all it took was one test, just one, to change my life. Suddenly, I was important. I was a GENIUS. Everyone was waiting anxiously to hear the pearls of wisdom that would drop from my mouth. Only one problem I didn't know what I was a genius at. If you think geniuses have it all, I bet you haven't met someone like me. I'd give anything to be a normal thirteen-year-old again. At least I wouldn't be dragged everywhere, from museums to theatre classes to horse races, to find out my 'geniosity'. At least my best friend wouldn't act like I've got a contagious disease. At least I wouldn't be a freak . . . Still want to know more? Take a peek into this secret diary to find out what happens when an ordinary boy suddenly becomes the World's Worst Genius.
