The Bible says she was "barren," and we know she suffered heartache, anguish, and grief because of her empty arms. Perhaps you do too. Hannah's Hope is for all who long for a child yet to be conceived, grieve for a baby too soon passed from the womb, or have lived through the no-man's-land of failed adoption.

Just as Hannah pleaded with Eli, you pray people won't harshly judge you while your heart sits shattered at your feet." ? Jennifer Saake, Hannah's Hope: Seeking God's Heart in the Midst of Infertility, Miscarriage, and Adoption Loss

Hannah's Hope is intended as a guide to assist you in making wise decisions as you struggle through your grief of not yet conceiving, losing a child, or struggling through the adoption process.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Hannah's Hope: Seeking God's Heart in the Midst of Infertility, Miscarriage, and Adoption Loss." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The Old Testament story of Hannah stands as a powerful example of the importance and efficacy of prayer. In these pages master Bible teacher Ronald Wallace transforms Hannah's story and the entire narrative of 1 Samuel 1-7 into a satisfying, illuminating Bible study for individuals and groups. The fruit of Wallace's lifelong exploration of the biblical texts, this book reflects his sensitivity to both the ancient context and the contemporary relevance of the Hannah narrative. Wallace's skillful handling of this story not only spells out the meaning and implications of the various events but also reveals significant counterparts in the New Testament. Central to the story of Hannah, however, is the role of humble, persistent prayer in the life of faith. By moving carefully with Wallace through the first seven chapters of 1 Samuel, readers will find encouragement for their personal prayer life and, further, will realize anew the importance of praying more broadly for the people of God and for all of society. Filled with scholarly insight yet easily accessible to readers at every level, Hannah's Prayer and Its Answer provides a wonderful guide to this beloved -- and spiritually rich -- portion of Scripture. Book jacket.

This book seeks to ease readers pain and accompany them on their infertility

Raised in a political family, 15-year-old Hannah Roberts lives a lonely life with her wealthy, unaffectionate grandmother while her parents work abroad. As Christmas nears, Hannah learns a shocking truth: the man she believed was her father is not her parent after all. In an effort to find answers, she begins a desperate search for her real father, Air Force pilot Mike Conner, who she discovers to be the man of her distant childhood memories. Local politicians and the city's newspaper catch wind of her quest, and the entire state joins in Hannah's hope that she'll find her father before Christmas.

When hopes for motherhood are deferred... Childlessness remains a taboo topic in today's culture, especially in Christian circles. Many women feel isolated, ashamed, or uncertain of how to reconcile this trial with a loving God. The death of the dream of motherhood—whether from infertility, barrenness, miscarriage, or the loss of a child—is one of the hardest journeys women can walk through. In *Longing for Motherhood*, Chelsea Patterson Sobolik speaks to these burdens specifically. She shares vulnerably about her own journey of childlessness and how she has ultimately come to view her story through the lens of Scripture and our hope in Christ. While remaining tender and empathetic toward suffering and longing, she discusses the comfort we have in knowing that the Lord is sovereign over all, and that His love is sufficient to carry us through any and every situation. A timely book for women struggling with childlessness, as well as for pastors, friends, and family who want to care for them well, *Longing for Motherhood* is a tender, truthful companion for a difficult journey.

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

An updated edition of a trusted resource on the all-too familiar topic of infertility. Includes questions at the end of each chapter, lists for recommended reading, case histories, and personal testimonies.

Now with updated content. "I'm not picking up a heartbeat." These are the most dreaded words an expectant mother can hear. As joy and anticipation dissolve into confusion and grief, painful questions refuse to go away: Why me? Did I do something wrong? How will this affect my ability to have a family? What do I say to my children without scaring them? With the warmth and compassion of a Licensed Professional Counselor and writing as a mother who has suffered the loss of a baby and a sixteen-year-old son, Pam Vredevelt offers sound answers and advice. As an expert in love and loss, Pam gives reassuring comfort to any woman fighting to maintain stability and faith in the midst of devastating heartbreak. Empty Arms: Hope and Support for Those Who Have Suffered a Miscarriage, Stillbirth, or Tubal Pregnancy is the essential guidebook for anyone suffering the agony of losing a baby.
