"The book also explains how Roosevelt had to balance his commitment to reform with the positions of New York's Republican leadership which did not share many of his priorities. It thus provides lessons that are just as relevant today as they were more than one hundred years ago."--BOOK JACKET.

Thirty-six of the most interesting writers in the Pacific Northwest came together for a week-long marathon of writing live on stage. The result? *Hotel Angeline*, a truly inventive novel that surprises at every turn of the page. Something is amiss at the Hotel Angeline, a rickety former mortuary perched atop Capitol Hill in rain-soaked Seattle. Fourteen-year-old Alexis Austin is fixing the plumbing, the tea, and all the problems of the world, it seems, in her landlady mother's absence. The quirky tenants—a hilarious mix of misfits and rabble-rousers from days gone by—rely on Alexis all the more when they discover a plot to sell the Hotel. Can Alexis save their home? Find her real father? Deal with her surrogate dad's dicey past? Find true love? Perhaps only their feisty pet crow, Habib, truly knows. Provoking interesting questions about the creative process, this novel is by turns funny, scary, witty, suspenseful, beautiful, thrilling, and unexpected.

In this dystopian satire of political intrigue and social chaos, a young man who escapes his hopelessly hayseed home town in Missouri is accidentally labeled a terrorist and must survive a manhunt by government security agencies in a paranoid and unraveling America. The president out of desperation perpetrates an end-of-the-world hoax, trying re-establish control and get himself re-elected. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century.
