Menendez Murders" about Erik and Lyle Menendez.

I have never met Hazel Thornton, although in the past few months, I have spoken to her on the phone a couple of times. We share the same last name, and apparently, the same great great grandfather. But until very recently, we were oblivious to each other's existence.

They were golden boys who killed with sudden savagery. The trial revealed a dark drama too evil to believe. Handsome, rich, bronzed champion athletes, Erik and Lyle Menendez were the stunning symbols of the California dream. The sons of a high-powered Hollywood executive and his beautiful wife, they lived in a pampered world of Beverly Hills mansions, swimming pools, and private tennis coaches. But the dream became a nightmare when police found the butchered bodies of the boys' parents, Jose and Kitty, in the family room of their five-million dollar mansion. Only days after the couple was laid to rest, the brothers began an appalling spending spree, buying Rolex watches, designer clothes and a new Porsche. Seven months later, all of Hollywood was stunned when the 18- and 21-year-old brothers were arrested for the horrendous killings. In wrenching testimony, Lyle & Erik accused their father of sexually brutalizing them since they were children—claiming his sadistic acts of perversion and cruel violence drove them to their unspeakable crime. Bestselling author Don Davis takes you inside one of the most riveting cases in California's history, laying to bare the shattering secrets of a tormented family.

Transcripts of telephone conversations and letters provide an unauthorized account of the trial of Lyle Menendez for the murder of his parents

Discover the definitive book on the Menendez case—and the primary source material for NBC's Law and Order True Crime: The Menendez Murders. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all a façade. The Menendez saga has captivated the American public since 1989. The killing of José and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn't make the cover of People magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now. Journalist Robert Rand, who originally reported on the case for the Miami Herald and Playboy, has followed the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers' first-degree murder conviction and sentencing to life without parole. In *The Menendez Murders: The Shocking Untold Story of the Menendez Family and the*

File Type PDF Hung Jury The Diary Of A Menendez Juror

Killings That Stunned the Nation, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men's Central Jail.

The wife of convicted killer Erik Menendez discusses her husband's painful life, his trial for the murder of his parents, the brutality of his life in a maximum security prison, and their struggle to preserve their marriage.

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-

winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This pioneering anthology released by Transgress Press is the first of its kind, presenting raw, unadulterated testimonies of transsexual men's experiences of sex reassignment surgery. The collection offers a comprehensive understanding of why transsexual men choose genital surgery and its transformative impact on their lives. Hung Jury has widespread appeal, catching the attention and interests of a wide and diverse readership looking to understand transsexuality, sex, and gender identity. Because the book breaks new ground in LGBT, Gender, and feminist studies moreover, it is also an excellent read for courses taught in these academic fields.

The memoir of the noted defense attorney offers insight into the machinations of the criminal justice system and some of the notorious cases in which she has been involved

Discusses the murders of a rich L.A. businessman and his wife by their two sons, who used a defense of child abuse to obtain a mistrial
