## Nissan Altima

The Nissan Altima is a midsize car that has been manufactured by Nissan since 1992. It is a continuation of the Nissan Bluebird line, which began in 1955.. The Altima has historically been larger, more powerful, and more luxurious than the Nissan Sentra but less so than the Nissan Maxima. The first through fourth generation cars were manufactured exclusively in the United States and officially ...

gradually become a presence to be reckoned with on the international stage. Initially a smaller player compared to Europe and the United States, Asia's automobile industry has consistently grown to its current status as one of the most dynamic global forces in terms of form and function. At the forefront of both technology and design, Asian cars include some of the most commercially successful automobiles ever built.
