The heart-warming tale of a sweet little pig with a whole heap of energy.

Everyone's favorite pig is about to have a birthday...but will her penchant for eavesdropping lead to more than presents? Olivia's birthday is days away. Plans must be made. Who makes plans? Moms! Who simply must know the plans? Olivia, who is NOT above eavesdropping. But when she not-so-accidentally-but-kind of overhears her mom talking about her not-so-squeaky-clean-and-possibly-very-bad-behavior, Olivia's imagination runs wild...because it sounds like not only will there be no birthday, but Mom might just be sending her to military school instead. What a BAD birthday that would be!

In her newest hilarious endeavour, Olivia embarks upon a quest for identity and individuality. It seems there are far too many pink and sparkly princesses around these days and Olivia has had quite enough! She needs to stand out. And so, in typical 'Olivia' style, she sets about creating a whole array of fantastically dressed princesses... and shows us that everyone can be individual and special.

Olivia always knew her younger sister would get into trouble. but she never realized the undercurrents of disaster would grow to a raging flood.... Olivia was always the sensible one. The responsible sister. She took after their father, a man as cold and driven as the Cape Cod wind, a man possessed by an inner need to be respected and successful. She would be the one to take over his million-dollar businesses. She would become the unwavering compass and resilient caretaker of the Logan family -- whether she wanted to or not. But Belinda belonged only to herself. Flighty, flirtatious, and possessed of a beauty that promised her a privileged life, Belinda was lavished with attention. Mother and Father, family friends, boys from school, they all adored Belinda. And as she matured into a young woman, her beauty became even more haunting. She vowed never to grow up, to remain forever an enchanting little girl to be worshiped and cared for. Then came that fateful night, when Olivia was awakened by the low whistle of the wind off the ocean...a whistle that became an unearthly wail coming from Belinda's bedroom. It was the tragic night that their father would forbid them to speak of ever again. The night they would never forget. The night that would send generations of Logans down an unavoidable path of lies, deceit, and heartbreak.

In her latest adventure, Olivia, everyone's favourite little pig, is off the Venice, the place of fine art, carnival and gondolas for a family holiday to remember. With her very own discerning eye for style, Olivia takes the beautiful city of Venice by storm. From dodging pigeons in the Piazza San Marco, to eating an abundance of the most delicious Italian gelato at Carneval, and barely staying afloat in a gondola, Olivia uncovers the wonderful delights of Venice with that very special 'Olivia' style and flair!

It's show-and-tell time at Olivia's school and she's telling her class about the time she went to the circus and all the performers were sick... so Olivia had to do everything. She tamed the lions, balanced on stilts, juggled and even played the clown. 'Was that true?' Olivia's teacher asks. 'Quite true,' says Olivia. 'Are you sure Olivia?' 'To the best of my recollection,' she says.

Olivia is back! She has decided to form a band: a one-pig band, to be exact. And, as we all know, Olivia is certainly capable of making enough noise to sound like an entire orchestra . . . Featuring gatefold flaps, fireworks, experiments with lipstick and a very cross mummy, the fourth Oliviabook is simply and hilariously told and gorgeously rendered - sure to delight Olivia fans of all ages!!

"I, Nate the Great, have something to say. My cousin Olivia Sharp is almost (but not quite) the world's best detective. I solve mysteries. She's an agent for secrets. You won't forget Olivia. She won't let you." Olivia sharp is back! Rather than solve mysteries like her cousin Nate, Olivia helps friends with their problems by detecting what's wrong beneath the surface. You'll be won over by Olivia's spunk, eccentricities, and can-do spirit.

Olivia has one toy that she loves more than anything. She feeds him, dresses him and takes him everywhere. So when he disappears, Olivia is FURIOUS! She looks under the rug, under the sofa, under the cat. She shouts at Ian and baby William, she cries, she stomps... all to no avail. Then, one dark and stormy night, Olivia hears a noise... Clutching a candelabra, she creeps bravely into her bedroom, and sees a huge menacing shadow on the wall. Who is this monster, and what's that hanging from his jaws? All is resolved peacefully in this entertaining story starring our favourite pig and her favourite toy.

Olivia is so excited when she finds out that her class is putting on a special play. Olivia is sure she'll land the leading role. But instead of getting the lead role, she is assigned the role of "Cow Number 2" and has only one line in the whole play: "Moo!" With her penchant for turning lemons into lemonade, and the determination and humor that's unique to Olivia, she manages to secure her place in the spotlight after all.
