A quilting book you'll treasure every day of the year! If you're on the lookout for fresh inspiration for your next block, here's the biggest and best compendium ever. Combining both ideas and how-to with 365 different blocks to choose from, Block a Day has everything you need and want from a quilting book. Designs range from creative twists on well-loved classics to brand-new blocks in a whole range of different styles. There are blocks here to appeal to a whole range of abilities, whether you're a beginner or experienced quilter, and the book is arranged in a vivid rainbow of color. Ranging from scarlets and pinks all the way across the spectrum to purple and violet, it's a treat for your eyes. Block a Day is the quilting book you've been looking for!

Create a sampler quilt as unique as you are! Tula Pink gives you an inspiring quilt block collection with Tula Pink's City Sampler. Make a beautiful, modern quilt of your own design with the 100 original quilt blocks or try one of the 5 city-themed sampler quilts designed by Tula. A note from Tula: "You will notice...that the blocks are not named but simply numbered. This is intentional. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The

Get Free Quilters Block A Day Perpel Calendar

more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."

Explains how to make a log cabin pattern quilt in less than sixteen hours
