The author recounts her experiences growing up in North Dakota from 1928 to 1937 the years of the Dust bowl and Depression

Problem solving skills will be reinforced with the simple instructions and engaging activities.

That version of the 6-8 standards you wish you had Don't spend another minute poring over the standards. Jim Burke has already done the hard work for you with this roadmap of what each standard says, what each standard means, and how precisely to put that standard into practice across English Language Arts, Social Studies, Science, and Technical Subjects. Jim clearly lays out: Grades 6-8 standards side by side with key distinctions Different content-area versions of each standard Explanations of each standard, with student prompts Content to cover, lesson ideas, and instructional techniques Glossary and adaptations for ELL students

Help students raise their performance on the Regents Algebra I (Common Core) exam with NYS Finish Line Algebra I. Nearly 300 pages of practice can prepare them with CCLS instruction that follows the curriculum sequence outlined by New York State. Content and organization are developed especially for New York. Topics that are often stumbling blocks for students are covered in detail, starting with the fundamentals. The progression of skills goes from recognizing and understanding forms and processes, to solving equations and inequalities, to modeling equations and graphs to represent real-life situations. Rigorous multiple-choice and constructed-response items give students test-like practice.
