In uniting the Western tradition of psychotherapy with various Eastern methods of healing, Dr. Stephano Sabetti developed a revolutionary process, Dr. Sabetti presents 12 forms of LEP that he developed to apply specifically to the interpretation of energetic processes as they move through us and express themselves in therapy, music, dance, organizations, art, etc. Each form adds to the general understanding of energy dynamics and benefits from the cross-fertilization. He then discusses the concepts that make the form unique, and he finishes by explaining how he arrives at a diagnosis of the individual or organization in relation to it. This energy-based system in a dynamic, multi-leveled approach to change and lifestyle. Because it views the universality of energy as fundamental to the essence of life, LEP can be applied to comprehend the way all elements of any system interact and influence each other.

Cain Casey is close to getting everything she wants. Her partner Emma is pregnant with their third child, her children are safe and happy, and her business is still thriving despite the FBI's vendetta. Life is perfect on the surface, but it's the underbelly that worries her. Her long-time enemy Juan Luis and his new partner, rogue agent Anthony Curtis have disappeared; her cousin Muriel has gotten serious about Shelby Philips, the FBI agent in charge of the Casey surveillance team; and her business partner, Remi Jatibon, is facing trouble from her new love Dallas's secret past. While Cain struggles to defeat a new enemy—a woman who just may be her equal when it comes to destroying those who stand against her family—an unimaginable betrayal may bring Cain's charmed life to an end.

Daisy "Little Flower" Anderson has lived her entire life on the sidelines of the Renegade Sons MC. Her father is a member, and her mother a club whore turned old lady. Not wanting to follow their footsteps, she chose a different path; one that keeps her close to the biker family she loves, but out of the club. Struggling to keep it together, she never thought she would have anything of her own, until she met Preach. He is everything she swore she didn't want in life. One night of passion leads to unexpected consequences, and she knows, now more than freedom from his past, until he met his "Little Flower". She shows him there is more to life than pain. Preach has a secret; one that forces him to choose between Daisy and his brothers. Even though he loves Daisy, the Renegade Sons are the only true family he has. He knows he can't let her go. When Daisy moves on, Preach realizes what he's lost. Can he prove that he's the man for her, or is he too late?
