Public Schools. Every state has a public school system to provide free education to every child. Public schools are government-run schools regulated by federal, state and local law. However, with a free education often come numerous legal issues that parents should consider when sending their children to public schools. Public School Governance

A public school in England and Wales is a fee-charging endowed school originally for older boys which was "public" in the sense of being open to pupils irrespective of locality, denomination or paternal trade or profession. The term was formalised by the Public Schools Act 1868, which put into law most recommendations of the 1864 Clarendon Report. Nine prestigious schools were considered by ...
