Spyglass continues where Kaleidoscope left off and covers a slice-of-life in the next eight weeks after Mike flees New York with the company in hot pursuit. In the second book of The Vision Chronicles series, Mike Lewis is back! Living in Juarez, Mexico, he has a new name, a new identity, and a new way to see visions of the future. Now, as James Lewis, he's ready to put the past behind him and start a new life, believing that the company is finally off his trail.

Through the spyglass, James sees clear, distinct visions and sees a future complete with a wife and family. It's exactly what he's always wanted and he sets out to find it. When James meets Danny, the soulful connection is instant-but he soon learns his love interest is terrorized by Nate Potter. For the last six years, the nasty-tempered stalker has successfully intimidated each of Danny's previous love interests and scared them away with threats and physical violence. Each time, Nate's attacks have become more vicious until now-he's out for blood. Nate, focused on James, is determined to stop the romance with Danny before it gets started-even if he has to kill someone to do it. Continue the next eight weeks of the story as James uses his mystic ability selflessly to help his family and friends. If you love intrigue, mystery, and suspense, along with a dash of romance and paranormal, this is the series for you!

In The Vision Chronicles, Book 3, James Lewis, imprisoned for five days in one of the worst prison systems in the world, has suffered unspeakable torture at the hands of hateful guards who enjoyed tormenting him. The coffin cell was particularly horrifying because Casey's ghost added additional anguish. Can he overcome this horrible experience? At Danny's insistence, James sees Dr. Valerie Parker, a therapist specializing in PTSD. During a session, James shares a technique he learned from Nelson Fitch. Dr. Parker researches the method. Her online search 'pings' a website in San Francisco, leading The Rodante Group straight to James Lewis and his newly established life in Las Cruces, New Mexico. In the meantime, Danny's pregnant with twins and there's a new family member at the manor. Sands and Patty have decided to quietly adopt a newborn orphan, but James warns that keeping their

intentions secret might be the worst mistake of their lives. Discover what happens during the next eight weeks as the adventure continues. If you love mystery, suspense and intrigue, along with romance and a touch of paranormal, this is the thriller series is for you!

Three tribes are at war on the planet Gan, unaware that the sign of Christ 's birth on an unknown world - Earth - is about to appear in the heavens. During a bloody skirmish with Gideonite troops, Jonathan of Daniel spares Pekah, a young enemy soldier. His merciful act results in a chain of events that saves the life of his betrothed, ends the war, and gives birth to a national hero.

This black and white (B&W) Edition of Tropiline Bajan Design (USA Design Patent Des 328198 S) was designed to be of special value to students, artists, and academics. It is about the best modern product design ever to come out of an emerging market and is a major advance in international modern art with cultural, personal, and regional influences all synthesized to produce a masterpiece. It is a single line drawn in space as the essence of the design, like Malevich's rotated linear squares, Saarinen's St. Louis Arch, and Brancusi's Bird in Space! “ Even less is even more ” permeates the philosophy, which is an amazing chronology of the creative process, the struggles of innovative artists, perseverance and determination (as

the design moves around the world from Barbados, to Denmark, to China); with a challenge to all emerging markets (and communities) to move forward modern progressive principles in an age of increasing globalization and international cooperation. The B&W version has a chiaroscuro that is very powerful allowing the brilliant modern forms throughout the book to emerge purely.

From the #1 New York Times bestselling author of *The Handmaid's Tale* In this final volume of the internationally celebrated MaddAddam trilogy, the Waterless Flood pandemic has wiped out most of the population. Toby is part of a small band of survivors, along with the Children of Crake: the gentle, bioengineered quasi-human species who will inherit this new earth. As Toby explains their origins to the curious Crakers, her tales cohere into a luminous oral history that sets down humanity 's past—and points toward its future. Blending action, humor, romance, and an imagination at once dazzlingly inventive and grounded in a recognizable world, MaddAddam is vintage Atwood—a moving and dramatic conclusion to her epic work of speculative fiction. A New York Times Notable Book A Washington Post Notable Book A Best Book of the Year: The Guardian, NPR, The Christian Science Monitor, The Globe and Mail A GoodReads Reader's Choice

An explosive expose of Samsung that “ reads like a dynastic thriller, rolling through three generations of family intrigue, embezzlement, bribery, corruption, prostitution, and other bad

behavior ” (The Wall Street Journal). LONGLISTED FOR THE FINANCIAL TIMES AND MCKINSEY BUSINESS BOOK OF THE YEAR AWARD Based on years of reporting on Samsung for The Economist, The Wall Street Journal, and Time, from his base in South Korea, and his countless sources inside and outside the company, Geoffrey Cain offers a penetrating look behind the curtains of the biggest company nobody in America knows. Seen for decades in tech circles as a fast follower rather than an innovation leader, Samsung today has grown to become a market leader in the United States and around the globe. They have captured one quarter of the smartphone market and have been pushing the envelope on every front. Forty years ago, Samsung was a rickety Korean agricultural conglomerate that produced sugar, paper, and fertilizer, located in a backward country with a third-world economy. With the rise of the PC revolution, though, Chairman Lee Byung-chul began a bold experiment: to make Samsung a major supplier of computer chips. The multimillion-dollar plan was incredibly risky. But Lee, wowed by a young Steve Jobs, who sat down with the chairman to offer his advice, became obsessed with creating a tech empire. And in *Samsung Rising*, we follow Samsung behind the scenes as the company fights its way to the top of tech. It is one of Apple ’ s chief suppliers of technology critical to the iPhone, and its own Galaxy phone outsells the iPhone. Today, Samsung employs over 300,000 people (compared to Apple ’ s 80,000 and Google ’ s 48,000). The company ’ s revenues have grown more than forty times from that of 1987 and make up more than 20 percent of South Korea ’ s exports. Yet their disastrous recall of the Galaxy Note 7, with numerous reports of phones spontaneously bursting into flames, reveals the dangers of the company ’ s headlong attempt to overtake Apple at any cost. A sweeping insider account, *Samsung Rising* shows how a determined and

fearless Asian competitor has become a force to be reckoned with.

The #1 New York Times bestselling sequel to *Words of Radiance*, from epic fantasy author Brandon Sanderson at the top of his game. In *Oathbringer*, the third volume of the New York Times bestselling *Stormlight Archive*, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin 's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar 's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization.
