*Streets Of Laredo: A Novel (Lonesome Dove Book 2) - Kindle ...*

Louis MacNeice wrote a poem called "The Streets of Laredo" about the bombing of London during World War Two. The rhythms of the poem resemble the lyrics of the song, and the 1948 book Holes in the Sky states that his wife Hedli Anderson sang the poem. The song is a featured motif in John Irving's 14th Novel 'Avenue of Mysteries'.

*Streets of Laredo* (song) - Wikipedia

" Streets of Laredo is a splendid addition to the literary portrait of McMurtry's native Texas and the West that he has been creating for three decades. It's also one of his most affectingly melancholy books.... The characters are as finely etched as any McMurtry has ever minted."--

From the Pulitzer Prize – winning author Larry McMurtry comes the sequel and final book in the Lonesome Dove tetralogy. An exhilarating tale of legend and heroism, Streets of Laredo is classic Texas and Western literature at its finest. Captain Woodrow Call, August McCrae's old partner, is now a bounty hunter hired to track down a brutal young Mexican bandit. Riding with Call are an Eastern city slicker, a witless deputy, and one of the last members of the Hat Creek outfit, Pea Eye Parker, now married to Lorena—once Gus McCrae's sweetheart. This long chase leads them across the last wild streches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.

Chronicles a cattle drive in the nineteenth century from Texas to Montana, and follows the lives of Gus and Call, the cowboys heading the drive, Gus's woman, Lorena, and Blue Duck, a sinister Indian renegade.

Nominated as one of America ' s best-loved novels by PBS ' s The Great American Read. A love story, an adventure, and an epic of the frontier, Larry McMurtry ' s Pulitzer Prize – winning classic, Lonesome Dove, the third book in the Lonesome Dove tetralogy, is the grandest novel ever written about the last defiant wilderness of America. Journey to the dusty little Texas town of Lonesome Dove and meet an unforgettable assortment of heroes and outlaws, whores and ladies, Indians and settlers. Richly authentic, beautifully written, always dramatic, Lonsome Dove is a book to make us laugh, weep, dream, and remember.

THE NATIONAL BESTSELLER The second book of Larry McMurtry's Lonesome Dove tetralogy, Comache Moon takes us once again into the world of the American West. Texas Rangers August McCrae and Woodrow Call, now in their middle years, continue to deal with the ever-increasing tensions of adult life -- Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him. Two proud but very different men, they enlist with the Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief; Kicking Wolf, the celebrated Comanche horse thief; and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. Comanche Moon closes the twenty-year gap between Dead Man's Walk and Lonesome Dove, following beloved heroes Gus and Call and their comrades in arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect the advancing West frontier against the defiant Comanches, courageously determined to defend their territory and their way of life.

Dead Man's Walk is the first, extraordinary book in the epic Lonesome Dove tetralogy, in which Larry McMurtry breathed new life into the vanished American West and created two of the most memorable heroes in contemporary fiction: Augustus McCrae and Woodrow Call. As young Texas Rangers, Gus and Call have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life.

Dead Man's Walk is the first, extraordinary book in the epic Lonesome Dove tetralogy, in which Larry McMurtry breathed new life into the vanished American West and created two of the most memorable heroes in contemporary fiction: Augustus McCrae and Woodrow Call. As young Texas Rangers, Gus and Call have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life.

Funny, sad, full of wonderful characters and the word-perfect dialogue of which he is the master, McMurtry brings the Thalia saga to an end with Duane confronting depression in the midst of plenty. Surrounded by his children, who all seem to be going through life crises involving sex, drugs, and violence; his wife, Karla, who is wrestling with her own demons; and friends like Sonny, who seem to be dying, Duane can't seem to make sense of his life anymore. He gradually makes his way through a protracted end-of-life crisis of which he is finally cured by reading Proust's Remembrance of Things Past, a combination of penance and prescription from Dr. Carmichael that somehow works. Duane's Depressed is the work of a powerful, mature artist, with a deep understanding of the human condition, a profound ability to write about small-town life, and perhaps the surest touch of any American novelist for the tangled feelings that bind and separate men and women.

The timeless, bestselling four-part epic that began with the Pulitzer Prize-winning Lonesome Dove takes readers into the lives of Augustus McCrae and Woodrow Call, two tough-as-nails Texas Rangers in the heyday of the Old West. Dead Man ' s Walk As young Texas Rangers, Augustus McCrae and Woodrow Call--"Gus" and "Call" for short--have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians, but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life. Comanche Moon Texas Rangers August McCrae and Woodrow Call, now in their middle years, are still figuring out how to deal with the ever-increasing tensions of adult life--Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him--when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico. On this mission their captain, Inish Scull, is captured by the brutally cruel Mexican bandit Ahumado, and Gus and Call must come to the rescue, with the aid of new friends including Joshua Deets, Jake Spoon, and Pea Eye Parker, as well as the renowned Kickapoo tracker, Famous Shoes. Lonesome Dove Gus and Call, now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company, are visited by their old friend Jake Spoon, who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory. Gus is further motivated by a desire to see the love of his life, Clara Allen (nee Forsythe), who now lives with her children and comatose horse-trader husband in Ogallala, Nebraska. On the way to Montana they travel through wild country full of thieves, murderers, and a lifetime's worth of unforgettable adventure. Streets of Laredo Woodrow Call is back in Texas, a Ranger once again and a general gun-for-hire, but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier. Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza, Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call. Call's old friend Pea Eye Parker--who initially refused to join the expedition because of his family--sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call, until he runs into troubles of his own. The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.

" If Chaucer were a Texan writing today . . . this is how he would have written and this is how he would have felt. " — New York Times In Leaving Cheyenne (1963), which anticipates Lonesome Dove more than any other early novel, the stark realities of the American West play out in a mesmerizing love triangle. Stubborn rancher Gideon Fry, resilient Molly Taylor, and awkward ranch hand Johnny McCloud struggle with love and jealousy as the years pass.

The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. " A hell of a story...undeniably gripping. " (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn ' t long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico ' s most dangerous drug cartel: Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel ' s leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia ' s pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In Wolf Boys, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, Wolf Boys is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.
