The Collector (Ds Fitzroy 2) by Fiona Cummins Paperback £6.55. In stock. Sent from and sold by Amazon. Ragdoll: The thrilling Sunday Times bestseller everyone is talking about (Ragdoll 1) by Daniel Cole Paperback £7.37. In stock.

'A crime novel of the very first order' - David Baldacci If you like Mo Hayder and Thomas Harris, you'll love the intensely gripping The Collector by Fiona Cummins. Jakey escaped with his life and moved to a new town. His rescue was a miracle but his parents know that the Collector is still out there, watching, waiting . . . Clara, the girl he left behind, dreams of being found. Her mother is falling apart but she will not give up hope. The Collector has found an apprentice to take over his family's legacy. But he can't forget the one who got away and the detective who destroyed his dreams. DS Etta Fitzroy must hunt him down before his obsession destroys them all.

The No.1 Bestseller by debut author Fiona Cummins A serial killer to chill your bones A psychopath more frightening than Hannibal Lecter. He has planned well. He leads two lives. In one he's just like anyone else. But in the other he is the caretaker of his family's macabre museum. Now the time has come to add to his collection. He is ready to feed his obsession, and he is on the hunt. Jakey Frith and Clara Foyle have something in common. They have what he needs. What begins is a terrifying cat-and-mouse game between the sinister collector, Jakey's father and Etta Fitzroy, a troubled detective investigating a spate of abductions. Set in London's Blackheath, Rattle by Fiona Cummins explores the seam of darkness that runs through us all; the struggle between light and shadow, redemption and revenge. It is a glimpse into the mind of a sinister psychopath. And it's also a story about not giving up hope when it seems that all hope is already lost.

'GRIPS LIKE A VICE' – Val McDermid 'Absorbing, tense and beautifully paced' - Daily Mail Twenty-one years ago, Dr Richard Carter and his wife Pamela were killed in what has become the most infamous double murder of the modern age. Their ten year-old daughter – nicknamed the Angel of Death – spent eight years in a children's secure unit and is living quietly under an assumed name with a family of her own. Now, on the anniversary of the trial, a documentary team has tracked down her older sister, compelling her to break two decades of silence. Her explosive interview sparks national headlines and journalist Brinley Booth, a childhood friend of the Carter sisters, is tasked with covering the news story. For the first time, the three women are forced to confront what really happened that night – with devastating consequences for them all. *When I Was Ten* is the highly anticipated, stay-up-all-night next book by acclaimed crime author Fiona Cummins. 'I finished it with my heart in my mouth. Highly recommended' – Louise Candlish 'Dark, creepy and ultimately compassionate... a chilling look at the consequences of a childhood gone wrong' – JP Delaney 'Utterly compelling; a true just-one-more-chapter thriller' – Clare Mackintosh 'Pacy, dark and surprises to the bitter end. Loved it' – Fiona Barton

"This droll romp is a latter-day Miss Marple." —Washington Post Murder leaps off the page when crime novelists begin to turn up dead in this intricate new novel by internationally best-selling author Elly Griffiths, a literary mystery perfect for fans of Anthony Horowitz and Agatha Christie. The death of a ninety-year-old woman with a heart condition should not be suspicious. Detective Sergeant Harbinder Kaur certainly sees nothing out of the ordinary when Peggy's caretaker, Nataalka, begins to recount Peggy Smith's passing. But Nataalka had a reason to be at the police station: while clearing out Peggy's flat, she noticed an unusual number of crime novels, all dedicated to Peggy. And each psychological thriller included a mysterious postscript: PS: for PS. When a gunman breaks into the flat to steal a book and its author is found dead shortly thereafter—Detective Kaur begins to think that perhaps there is no such thing as an unsuspecting death after all. And then things escalate: from an Aberdeen literary festival to the streets of Edinburgh, writers are being targeted. DS Kaur embarks on a road trip across Europe and reckons with how exactly authors . . . can think up such realistic crimes . . .

As the global 'data revolution' accelerates, how can the data rights and interests of indigenous peoples be secured? Premised on the United Nations Declaration on the Rights of Indigenous Peoples, this book argues that indigenous peoples have inherent and inalienable rights relating to the collection, ownership and application of data about them, and about their lifeways and territories. As the first book to focus on indigenous data sovereignty, it asks: what does data sovereignty mean for indigenous peoples, and how is it being used in their pursuit of self-determination? The varied group of mostly indigenous contributors theorise and conceptualise this fast-emerging field and present case studies that illustrate the challenges and opportunities involved. These range from indigenous communities grappling with issues of identity, governance and development, to national governments and NGOs seeking to formulate a response to indigenous demands for data

## Download Free The Collector Ds Fitzroy 2

ownership. While the book is focused on the CANZUS states of Canada, Australia, Aotearoa/New Zealand and the United States, much of the content and discussion will be of interest and practical value to a broader global audience. 'A debate-shaping book ... it speaks to a fast-emerging field; it has a lot of important things to say; and the timing is right.' — Stephen Cornell, Professor of Sociology and Faculty Chair of the Native Nations Institute, University of Arizona 'The effort ... in this book to theorise and conceptualise data sovereignty and its links to the realisation of the rights of indigenous peoples is pioneering and laudable.' — Victoria Tauli-Corpuz, UN Special Rapporteur on the Rights of Indigenous Peoples, Baguio City, Philippines

The electrifying sequel to *One For Sorrow*, by the Wall Street Journal bestselling author of *Silent Child*. Leah Smith has a new name, a new job and a new home. The sleepy seaside town, Clifton-on-Sea, is a refreshing change from the gloomy moors of Yorkshire. She couldn't be farther away from her serial killer stalker. Or so she thinks... A new name isn't enough to make her forget her past. Leah must come to terms with the events that occurred at Crowmont Hospital, especially when police discover the mutilated body of a young woman. Leah and Tom struggle with the consequences of their actions on the moors, and how they may have led to murder. While a serial killer is on the loose, Leah throws herself into solving a different puzzle. She meets George, an elderly local man who suffered a heart-breaking childhood. In 1944, when George was just ten years old, his mother perished in a fire at the family home. His sister, Abigail, went missing during the fire, presumed dead. Abigail's body was never recovered from the ashes. Twenty years later, George received a photograph of a young woman bearing a striking resemblance to his sister Abigail. Perhaps she didn't die after all. George is not a well man and time is running out to uncover what happened to little Abigail. Leah is drawn into the mystery, keen for any distraction from her own troubles. With assistance from George's grandson, Mark, she vows to help. But even as she immerses herself in George's tragic past, she can never escape the one name that haunts her nightmares, Isabel Fielding... Praise for book one, *One For Sorrow*: "One for Sorrow will take you down the darkest of paths... into the labyrinth of the human mind... A mind unsettled, twisted... broken.... All the chills..." - Amazon customer "Surprising, unexpected, scary, interesting, shocking. Fantastic read!" - Amazon customer "A truly good book. I didn't guess anything that happened. I don't want to give the story away. You just have to read it. I couldn't put it down." - Amazon custome
