A guide to all aspects of sailing discusses choosing a sailboat, equipment, basic and advanced seamanship, cruising, navigation, meteorology, and safety

Sailing offers an enjoyable pastime for untold thousands of people worldwide--some of whom are experienced mariners with their own boats, while others are trying out the sport for the first time. Whatever the level of expertise, sailing is an activity that requires concentration, dedication, and skill. The art of sailing requires a knowledge of essential techniques and the ability to adapt to changing conditions. THE HANDBOOK OF SAILING TECHNIQUES contains everything a sailor needs to know about sailing, beginning with the boat and its essential equipment, and ranging to weather and currents, communication, ropes and anchoring, sails and steering, onshore and offshore environments, and survival techniques. With 120 black-and-white illustrations and clear, useful descriptions of sailing terms and sea-tested methods, THE HANDBOOK OF SAILING TECHNIQUES provides essential information for both novice crewmembers and experienced sailors. No matter a sailor's current level of expertise, there is always more to learn. This is a book that will continue to teach.

The digital edition of the RYA Sail Trim Handbook for Cruisers is crammed with useful tips and pointers on one of the fundamentals of good seamanship: sail trim. The book focuses more on the needs of the cruising sailor as opposed to the out-and-out racer. After all, a well-trimmed cruising yacht will be better balanced, easier to handle, and will sail more comfortably. Sail trim can be bewildering to the novice but the RYA Sail Trim Handbook talks you through the subject in an informative yet entertaining manner. This eBook is further enhanced by a range of clear, well thought-out illustrations. Chapters include: How Sails Work Jibs & Genoas Spinnakers Reefing Sailing Upwind Heavy Weather Sailing Trade Wind Sailing Ultimately this book will have you itching to get back afloat and tinkering with the trim of your sails.

The only sailing manual you will ever need, covering everything from sailing basics to making repairs and mastering navigation. The undisputed market leader in sailing guides, this fully revised and updated sailing manual, with a foreword by quadruple Olympic gold medallist Sir Ben Ainslie, answers questions about any sailing situation, with thorough coverage of all aspects of sailing and boat ownership. In DK's The Complete Sailing Manual, former British national champion Steve Sleight offers a wealth of expert advice and guidance in the form of a complete course on seamanship, which is brought to life with breathtaking action photography and clear instructions. Fully revised, this new edition features all of the latest developments in sailing--including foiling, long-distance cruising, and high-speed apparent-wind sailing--and navigation, with technology such as modern performance systems and electronic navigation. It also highlights the latest rules, regulations, and best

Read Online The Handbook Of Sailing

practices necessary for every avid sailor, from the novice to the seasoned seaperson. Includes essential information, handy diagrams, and step-by-step illustrations, The Complete Sailing Manual is the ultimate sailing ebook to keep by your side when you're out on the waves.

Quickly and easily master the sailing fundamentals you'll need to get out on the water.

The Reed's Skipper's Handbook, now in its 6th edition, has been a bestseller since first publication. A handy pocket size, it is an aide-memoire of everything a boater would need to know at sea. Packed with a wide range of information in a concise form it is frequently recommended by Yachtmaster Instructors as a quick reference guide and as a revision aid for anyone taking their Day Skipper and Yachtmaster certificates. The 6th edition has been expanded with helpful new material on boat handling, tides, ropework and general seamanship. 'A terrific little volume' Motorboat & Yachting 'A brilliant guide for beginners and an excellent refresher for more advanced skippers... a top rate book' Waterstones 'Everything you would need to know when going to sea in a yacht or small boat...a humdinger of a little book' Nautical Magazine Reeds Skipper's Handbook is a must for anyone going to sea in any size of boat - be they novice or old hand. Many thousands of skippers and crew have found it invaluable as a memory jogger and fresher whether at sea or on land.

"The definitive book." -Cruising World "Every culture has its bible, and until now, there wasn't one for the voyager with a passion for catching fish." --Ocean Navigator Here is the first-ever complete guide to finding, catching, processing, and cooking fish from the decks of a slow-moving cruising sail- or powerboat. Scott and Wendy Bannerot have successfully cruised tropical and temperate seas for more than two decades.

Contains over 500 colour photographs and explanatory illustrations. This handbook presents guidance on the different parts of a boat: choosing a boat for pleasure and performance; how a boat sails; its fittings and equipment; how to anchor and pick up a mooring; handling ropes; navigating; understanding tides and buoyage; using radar; and more.

The Reed's Skipper's Handbook has been a bestseller since first publication. The previous edition sold over 60,000 copies, and it is easy to see why: a handy pocket size, it is an aide-memoire of everything a boater needs to know at sea. Packed with a wide range of information in a concise form it is frequently recommended by Yachtmaster Instructors as a quick reference guide and as a revision aid for anyone taking their Day Skipper or Yachtmaster certificates. This 7th edition has been thoroughly revised, with updated text and illustrations throughout. 'A terrific little volume' Motorboat & Yachting 'A brilliant guide for beginners and an excellent refresher for more advanced skippers... a top rate book' Waterstones 'Everything you would need to know when going to sea in a yacht or small boat...a humdinger of a little book' Nautical Magazine Reeds Skipper's Handbook is a must for anyone going to sea in any size of boat – be they novice or old hand. Tens of thousands of skippers and crew have found it invaluable as a memory jogger and refresher whether at sea or on land.
