The Nix is hugely entertaining and unfailingly smart, and the author seems incapable of writing a pedestrian sentence or spinning a boring story (New York Times Book Review) There is an accidental topicality in Hill’s debut, about an estranged mother and son whose fates hinge on two mirror-image political events - the Democratic Convention of 1968 and the Republican Convention of 2004.

Book Review: 'The Nix,' By Nathan Hill : NPR
The Nix is the story of how mother and son came to where they are -- and where they might go from here. But really, this basic plot description does not begin to do this book justice. Nathan Hill has a dazzling imagination, and the feats of writing that he performs are an absolute joy to experience.

Nathan Hill is a maestro.” —John Irving From the suburban Midwest to New York City to the 1968 riots that rocked Chicago and beyond, The Nix explores—with sharp humor and a fierce tenderness—the resilience of love and home, even in times of radical change. It’s 2011, and Samuel Andresen-Anderson—college professor, stalled writer—has a Nix of his own: his mother, Faye. He hasn’t seen her in decades, not since she abandoned the family when he was a boy. Now she’s re-appeared, having committed an absurd crime that electrifies the nightly news, beguiles the internet, and inflames a politically divided country. The media paints Faye as a radical hippie with a sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she’s facing some serious charges, and she needs Samuel’s help. To save her, Samuel will have to embark on his own journey, uncovering long-buried secrets about the woman he thought he knew, secrets that stretch across generations and have their origin all the way back in Norway, home of the mysterious Nix. As he does so, Samuel will confront not only Faye’s losses but also his own lost love, and will relearn everything he thought he knew about his mother, and himself.

One moment will change things for them all. “[A] great hybrid of women’s fiction and suspense...strong character development and unpredictable plot.” - Library Journal

The hard-fighting, harder-drinking fortune hunters of The Hammer and the Blade and A Discourse in Steel are back to test their mettle and tempt fickle fate. Fantasy fiction has long welcomed adventurous rogues: Fritz Leiber’s Fafhrd and the Gray Mouser, George R. R. Martin’s Dunk and Egg, and Scott Lynch’s Locke Lamora and Jean Tannen have all made their mark. In his Egil & Nix series, New York Times bestselling author Paul S. Kemp introduces a daring new duo to the ranks of fantasy fame—or is it infamy? Nix is a nimble thief with just enough knowledge of magic to get into serious trouble. Egil is the only priest of a discredited god. Together, they seek riches and renown, but somehow it is always misadventure and mayhem that find them—even in the dive bar they call home. And their luck has yet to change. All Nix wants to do is cheer Egil up after a bout of heartbreak. And, of course, strike it so rich that they need never worry about their combined bar bill. But when the light-fingered scoundrel plunders a tomb and snatches mysterious golden plates covered in runes, the treasure brings terrifying trouble. Pursued by an abomination full of ravenous hunger and unquenchable wrath, Egil and Nix find all they hold dear—including their beloved tavern—in dire peril. To say nothing of the world itself. Praise for A Conversation in Blood “An adventure perfect for fantasy fans and action-movie lovers. It will take readers on a wild ride with heart-pounding fights, harebrained schemes, and several laugh-out-loud moments.”—Booklist “If you enjoy storytelling with the content sensibilities of Game of Thrones, then imagine George R. R. Martin forced to write while strapped to the front of a War Boys’ car going 100 mph, pumped full of Jolt Cola and Pixy Sticks with Metallica blaring from the speakers and you approximate the full Egil & Nix experience that [Paul S.] Kemp delivers.”—Rebels Report
