also wrote two Lost Race romances, one of which is "Thyra: A Romance of the Polar Pit." The plot concerns a group of explorers who fly in a balloon to the North Pole, where they discover, via an opening, that the earth is indeed hollow. Once inside the earth they encounter Viking and Neanderthal communities, along with

survivals of Mesozoic megafauna. "Thyra"
manages to intertwine the Utopian Lost
Race and Lost World subgenres into a
single, action-packed plot which never
meanders or digresses. The first Viking
community upon which the heroes
stumble after they enter the bowels of the
