From bestselling author Jon Gordon comes a spiritual fable about the power of faith, hope, and love Meet Jay and Kay. They're twins, and like many teenagers their age, they're dealing with stress and anxiety. One day on their way to school, they have a nice conversation with their old family friend and youth soccer coach, Mr. Erwin, who shows them a special garden he created in his backyard. The garden serves as both a place and a metaphor for Mr. Erwin to share a powerful paradigm and practical strategies to help the twins overcome their fear, stress, and anxiety. The Garden is an enlightening and encouraging spiritual fable that reveals the 5 D's that can sabotage us and a proven plan to help us overcome and win the battle in our mind. Rooted in Jon Gordon's faith tradition, this fable is a different kind of book than his previous business fables. However, in his familiar trademark style, he takes a complex subject and simplifies it to help people take action and improve their lives. Everyone will struggle with fear, anxiety, or stress at some point in their lives, and everyone will have to overcome these challenges to create the life they were meant to live. Given that there are many contributing factors that influence how we think and feel, Jon wrote this book to share how the power of love, encouragement, truth, faith, and belief can be part of the solution. Having worked with countless leaders, companies, sports teams, professional athletes, and high school students, Jon Gordon infuses this life-changing story with thought-provoking ideas, practical strategies, and a framework to overcome fear with faith. Whether you are dealing with fear, stress, and anxiety yourself, have a family member that struggles, or are a mental health expert that works with clients, if any of the ideas in this book can be useful to you or the people you love and care about, then it's worth a walk through The Garden with Jay, Kay, and Mr. Erwin to discover ways to persevere through life with the power of faith, hope, and love.

From bestselling author Jon Gordon and rising star Damon West comes The Coffee Bean: an illustrated fable that teaches readers how to transform their environment, overcome challenges, and create positive change. Life is often difficult. It can be harsh, stressful, and feel like a pot of boiling hot water. The environments we find ourselves in can change, weaken, or harden us, and test who we truly are. We can be like the carrot that weakens in the pot or like the egg that hardens. Or, we can be like the coffee bean and discover the power inside us to transform our environment. The Coffee Bean is an inspiring tale that follows Abe, a young man filled with stress and fear as he faces challenges and pressure at school and home. One day after class, his teacher shares with him the life-changing lesson of the coffee bean, and this powerful message changes the way he thinks, acts, and sees the world. Abe discovers that instead of letting his environment change him for the worse, he can transform any environment he is in for the better. Equipped with this transformational truth, Abe embarks on an inspirational journey to live his life like the coffee bean. Wherever his life takes him, from school, to the military, to the business world, Abe demonstrates how this simple lesson can unleash the unstoppable power within you. A delightful, quick read, The Coffee Bean is purposely written and designed for readers of all ages so that everyone can benefit from this transformational lesson.
