Three Sisters is the first in a series of Emily Castles mysteries. It is a British mystery and Emily really seems like a shy mouse at first. She is invited to a neighborhood party and she really is not sure she was invited or that she should attend. On the way she meets Dr. Muriel who is her neighbor as well. It was a confusing story about the three sisters and who was murdered. I was confused during the entire story.

Emily has been invited to a party in the big house at the end of her street by the new owners, whom she has never met. How could she know, as she left her house that evening, that she was making an appointment with death?

This carefully crafted ebook: " THE CANON IN RESIDENCE (British Mystery Classic) " is formatted for your eReader with a functional and detailed table of contents. The Reverend John Smith is a conventional cleric, who learns on holiday he has been promoted to be Canon in Residence of Frattenbury Cathedral. While staying at a hotel he meets a fellow Englishman, who tells him the clergy are too divorced from reality. This stranger drugs Rev Smith and takes his clerical clothing, leaving in return his garish clothing, which Rev Smith is forced to wear for the rest of his holiday in St Moritz. However, because of this, he learns a great deal that the dog collar would have prevented. Meanwhile, the stranger adopts Rev Smith's name and goes off gambling and quaffing vast quantities of champagne in Monte Carlo, to the horror of an Englishwoman there who writes to her friends in Frattenbury about him. Victor Lorenzo Whitechurch (1868-1933) was a Church of England clergyman and author. He is best known for his detective stories featuring Thorpe Hazell, the first amateur railway detective, whom the author intended to be as far from Sherlock Holmes as possible. Another Whitechurch's character was the spy Captain Ivan Koravitch. His stories were admired for their immaculate plotting and factual accuracy. Whitechurch was one of the first writers to submit his manuscripts to Scotland Yard for vetting as to police procedure.

The play focuses on the lives of three sisters, Olga, Masha, and Irina, young women of the Russian gentry who try to fill their days in order to construct a life that feels meaningful while surrounded by an array of military men, servants, husbands, suitors, and lovers, all of whom constitute a distractions from the passage of time and from the sisters' desire to return to their beloved Moscow.

Before they became legendary writers, Charlotte Brontë, Emily Brontë, and Anne Brontë were detectors in this charming historical mystery... Yorkshire, 1845. A young wife and mother has gone missing from her home, leaving behind two small children and a large pool of blood. Just a few miles away, a humble parson's daughters--the Brontë sisters--learn of the crime. Charlotte, Emily, and Anne Brontë are horrified and intrigued by the mysterious disappearance. These three creative, energetic, and resourceful women quickly realize that they have all the skills required to make for excellent "lady detectors." Not yet published novelists, they have well-honed imaginations and are expert readers. And, as Charlotte remarks, "detecting is reading between the lines--it's seeing what is not there." As they investigate, Charlotte, Emily, and Anne are confronted with a society that believes a woman's place is in the home, not scouring the countryside looking for clues. But nothing will stop the sisters from discovering what happened to the vanished bride, even as they find their own lives are in great peril...

Refusing to believe that her pregnant, mercurial, artist sister committed suicide, Beatrice begins an obsessive search for the truth and is dismissed by her family and authorities until she closes in on a murderous predator.

Spans much of the modern history of the mystery genre and, along with it, many of the political and social changes from the classical detective story, the World War II spy story, and the Cold War thriller to postmodern detective and spy adventures and the politics of terrorism and confrontation of the twenty-first century.

“ There is only one bond that I trust: between a woman and her sisters. We never take our eyes off each other. In love and in rivalry, we always think of each other. ” When Katherine of Aragon is brought to the Tudor court as a young bride, the oldest princess, Margaret, takes her measure. With one look, each knows the other for a rival, an ally, a pawn, destined – with Margaret ’ s younger sister Mary – to a sisterhood unique in all the world. The three sisters will become the queens of England, Scotland and France. United by family loyalties and affections, the three queens find themselves set against each other. Katherine commands an army against Margaret and kills her husband James IV of Scotland. But Margaret ’ s boy becomes heir to the Tudor throne when Katherine loses her son. Mary steals the widowed Margaret ’ s proposed husband, but when Mary is widowed it is her secret marriage for love that is the envy of the others. As they experience betrayals, dangers, loss and passion, the three sisters find that the only constant in their perilous lives is their special bond, more powerful than any man, even a king.

Watching the screen version of a classic mystery novel can be disappointing. By necessity or artistic license (or possibly just ego) changes are often made by the filmmakers--many of them ineffective or even detrimental. This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story. Interviews with several famous mystery writers are included, with their comments on how filmmakers treated their work.
