Vittorio the Vampire is the second (and final) book in the series "New Tales of the Vampires" by Anne Rice. It's different from the previous novel, Pandora. This novel has entirely original characters. Whereas Paganism played an important role in Pandora, Christianity is the focus in this novel. And I think that's the part of the novel that shines.

Vittorio, The Vampire (New Tales of the Vampires, #2)

Now, in the second of her New Tales of the Vampires, she tells the mesmerizing story of Vittorio, a vampire in the Italian Age of Gold. Educated in the Florence of Cosimo de' Medici, trained in knighthood at his father's mountaintop castle, Vittorio inhabits a world of courtly splendor and country pleasures--a world suddenly threatened when his entire family is confronted by an unholy power.

New Tales of the Vampires Series by Anne Rice

Her alterna-vamp books began with Pandora, but the second of her New Tales of the Vampires, Vittorio, is truly a new beginning--a more controlled story and probably the best of her last half-dozen books. Rice has called Vittorio her vampire version of Romeo and Juliet. The hunky Vittorio is sweet 16 and "incalculably rich" in 15th-century Italy, the epoch of the Medicis and Vittorio's favorite painter, madly passionate Filippo Lippi.

his entire family is confronted by an unholy power. In the midst of this upheaval, Vittorio is seduced by the vampire Ursula, the most beautiful of his supernatural enemies. As he sets out in pursuit of vengeance, entering the nightmarish Court of the Ruby Grail, increasingly more enchanted (and confused) by his love for the mysterious Ursula, he finds himself facing demonic adversaries, war and political intrigue. Against a backdrop of the wonders--both sacred and profane--and the beauty and ferocity of Renaissance Italy, Anne Rice creates a passionate and tragic legend of doomed young love and lost innocence.

Anne Rice, creator of the Vampire Lestat, the Mayfair witches and the amazing worlds they inhabit, now gives us the first in a new series of novels linked together by the fledgling vampire David Talbot, who has set out to become a chronicler of his fellow Undead. The novel opens in present-day Paris in a crowded café, where David meets Pandora. She is two thousand years old, a Child of the Millennia, the first vampire ever made by the great Marius. David persuades her to tell the story of her life. Pandora begins, reluctantly at first and then with increasing passion, to recount her mesmerizing tale, which takes us through the ages, from Imperial Rome to eighteenth-century France to twentieth-century Paris and New Orleans. She carries us back to her mortal girlhood in the world of Caesar Augustus, a world chronicled by Ovid and Petronius. This is where Pandora meets and falls in love with the handsome, charismatic, lighthearted, still-mortal Marius. This
