I enjoyed it! The writing style is directed towards the more masculine/male audience, and maybe one at the beginning of a spiritual path." - A Reader "More clarity came as I went back and re-read Warrior of Light from the beginning. I'm drawn to the author's story and for our similarities. As I was reading it I felt like the author was reading my mind, and relaying excerpts from my life. Until, I read Warrior of Light, I felt very alone in this process of overcoming. There really are no words I can find to thank this author for being the beacon of light at the end of this transition from 'victim' to the person I am today." - A Reader "I've been reading "Warrior of Light". I love how the author describes cord cutting and shielding. It is so helpful! I enjoyed the writing." - A Reader "I read the Warrior of light book. I loved every page! It is not the type of book that you read one time. This book has definitely become #1 in my list of favorite books." - A Reader "I love the way the author makes spirituality come across so realistic! Even the non-believers would be interested to follow such a practical approach." - A Reader "After reading Warrior of Light, I see Kevin Hunter definitely gaining access to the hearts of the men who want to read his books. The people who need to hear about angels for one from a male point of view." - A Reader "I read more of the Warrior Of Light book and about the Archangels.
