Get swept up in this enticing, emotional story of family suspense from New York Times bestselling author Diane Chamberlain. Her family's cottage on the New Jersey shore was a place of freedom and innocence for Julie Bauer—until her seventeen-year-old sister, Isabel, was murdered. It's been more than forty years since that August night, but Julie's memories of her sister's death still shape her world. Now someone from her

past is raising questions about what really happened that night.

About Julie's own complicity. About a devastating secret her mother kept from them all. About the person who went to prison for Izzy's murder—and the person who didn't. Faced with questions and armed with few answers, Julie must gather the courage to revisit her past and untangle the complex emotions that led to one unspeakable act of violence on the bay at midnight. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to join the ski club with Katie...even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? Starry Night It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If

Christy Miller's best friend, Katie,
is always full of ideas. They'll be

no, I only wrote picture books. But
they persisted: 'How hard could it
be? We'll even tell you what to
write! We want a love story with
teenagers at the beach.' And
there you go. Summer Promise

Until recently, evolutionary psychologists have considered human mating behavior to be universal and similar to other animals, painting a picture of human mating as visceral, animalistic, and instinctual. But that's not the whole story. In courtship and display, sexual competition and rivalry, we are guided by Mating Intelligence, or the range of psychological abilities designed for sexual reproduction. In this book, psychologists Glenn Geher and Scott Barry Kaufman take a fascinating tour of the
