Communalism: A Primer - Bipan Chandra - Google Books

Communalism is a system that integrates communal ownership and confederations of highly localized independent communities. A prominent libertarian socialist, Murray Bookchin, defines the communalist political philosophy that he developed as "a theory of government or a system of government in which independent communes participate in a federation", as well as "the principles and practice of communal ownership". The term 'government' in this case does not imply acceptance of a state or top-down h

Communalism - Wikipedia

Several academicians are fuming over the National Book Trust's decision to stop printing the Hindi edition of renowned historian Bipan Chandra's book, Communalism – A Primer.
