Amazon.com: Customer reviews: CPH Exam Quick Reference Review

This book has been written to aid in the understanding of the core competencies in public health, and for the public health certification examination, CPH. A certification examination in this perspective is challenging—and will remain so, pending transition in the presentation of public health core areas and their core competencies at the graduate level.

CPH Exam Quick Reference Review

The author and the contributors of this text, the CPH Exam Quick Reference Review, have presented—in a simplified and concise manner—the introduction to public health as public health principles and practice, which is rarely presented in graduate programs, and have discussed the mission, goal, core functions, history, and challenges of public health.

Quick Reference Review

Advice from CPH professionals: Don't hesitate to take the exam. Use the resources that are available to help you review and prepare for the exam. Your Public Health degree has already provided you with all the core competencies covered in the exam questions.
