### Boykin, Noguera & ASCD, Creating the Opportunity to Learn ...

Opportunity to learn (OTL) generally refers to inputs and processes within a school context necessary for producing student achievement of intended outcomes. Most theorists and researchers studying OTL have focused on the classroom as their unit of analysis and have privileged the actions of teachers (e.g., Kurz, 2011; Porter, 2002).

### Opportunity to Learn - Oxford Handbooks

Opportunity to learn was originally defined as a measure of "whether or not...students have had an opportunity to study a particular topic or learn how to solve a particular type of problem presented by the test".2In recent policy discussions, OTL has come to refer not only to the

### Education Policy Brief

Create student learning opportunities from how you believe that students learn best. Put a mirror on your own practice. As Bartalo also states, "An in-depth knowledge of teaching surpasses anything that can be achieved by implementing someone else's ideas" (p. 21). What are your beliefs about how students learn best?
