The Thirteenth Doctor is the current incarnation of the Doctor, the fictional protagonist of the BBC science fiction television programme Doctor Who. She is portrayed by English actress Jodie Whittaker, the first woman to play the character in the series. Within the series' narrative, the Doctor is a millennia-old alien Time Lord with somewhat unknown origins who travels in time and space in her TARDIS, frequently with companions. At the end of life, the Doctor can regenerate her body; as a resu

Should the Thirteenth Doctor finally uncover the deception and return home, she'd no doubt arrive in a post-apocalyptic era dominated completely by The Master. Without The Doctor to stop him, Sacha Dhawan's Time Lord achieves his lives-long ambition of conquering the universe and Doctor Who's future could center around undoing that damage.
