On The Stars

the Stars Book 1 ...

Duel in the Dark is a good start of a new series, Blood on the Stars, from Jay Allan. It is an action filled story which essentially is a prelude to an all out war. It has good world building, enjoyable characters and plenty of action. The underlying premise of the story is the all too common one, in fiction as well as in real life.

We have many a space opera novels these days but forging a duel between two captains that are both fighting for what they think is right is definitely more welcome take in this genre. Jay crafts a story that pushes and pulls between both sides. You know who is going to win yet you stay for the ride to the end.
