### **Extending the European Security Community : constructing ...**

Understanding the extension of the European zone of peace to the Balkans is at the heart of this pioneering work into the post-Cold War socialisation of the region. How is peace (i.e. a security-community-order) initiated in the Balkans? Who are the dominant agents of such peace-promotion?

### **Extending the European security community: Constructing ...**

This paper investigates why and how the geographical scope of the security community centered around the European Union (EU) is expanding. It starts from the assumption that the EU itself is a 'tightly-coupled mature pluralistic security community'. The analysis of the expansion of this peaceful area is based on the theoretical framework first designed by Karl Deutsch and later developed ...

"The South Caucasus is a critical test-case of policies aiming to develop a liberal security community in a troubled European periphery. In clear and accessible prose, Licinia Simão combines scholarly and practitioner insights with a host of interviews with the relevant actors to unpack the ambiguous progress of the European Union's Neighbourhood Policy in Armenia, Azerbaijan and Georgia.

Given the impact of COVID-19 on budgets and businesses, we will be extending the end of life until November 28, 2022. The Drupal Security Team will continue to follow the Security Team processes for Drupal 7 core and contributed projects. However, this means extra work from the Drupal community at large and the security team in particular to review security reports, create patches, and release security advisories for Drupal 7.
