For each individual the family is the cradle of life and love where they are born and grow. (No. 212) The climate of affection that unites the family is also where we learn about truth and goodness. Moreover, the family unit is a community of persons where moral values are taught and the spiritual and cultural heritage of society are passed on.

The Importance of the Family - Catholic Education Resource ...
Religion can have a very positive impact on family values, and it can just ass easily have a negative impact on family values. The basic fact is that every religion has its very good and rounding points and it has its share of flaws, regardless of which religion you encounter.

Does Religion Have a Positive Impact on Family Values?
Family is a major foundation of Islamic life. The Quran speaks of marriage in traditional terms -- the man as breadwinner and head of the house, the mother as nurturer and the children as respectful. The Prophet Muhammad himself was a parent and grandparent, and like Muhammad's family, Muslim families are supposed to be close, kind and loving.

About Family Research Council. For over 30 years, we've been committed to, advancing faith, family, and freedom in public policy and the culture from a Christian worldview.

Family Research Council
Over the years religion has been affected by social change. Modernization has led to more information being available to the public, and less emphasis in society on religion, leading to secularization. Secularization in turn, is the weakening of social and political power of religious organizations, as religious involvement and belief declines.

In the Hmong culture, there are three ways one may acquire a wife; through pre-arranged marriage, eloping or capture. Marriage, in this culture, presents a special problem in the context of U.S. law because of age. Within the Hmong culture, the desired age of marriage for a girl, is between the ages of 14 and 18 years.
