From Silence to Voice: What Nurses Know and Must ...

As we conclude this edition of From Silence to Voice, nurses and others in health care who have long been denied the respect and resources they need have an unprecedented opportunity to make their work better understood and their voices heard. Three interconnected challenges create this opportunity for nurses. One is escalating health care costs.

From Silence to Voice: What Nurses Know and Must ...

Now we strongly feel the operative terms are "silence" and voice." That is why we call this book From Silence to Voice and why we focus, in this edition, on moving beyond a "virtue script" that idealizes nursing toward messages that accurately depict nursing and its importance in health care.

1960s-style liberals signed a letter supporting free speech against the cancel culture. Orwellian Marxists claimed they're really aiming to silence minorities.

Marxists: Free Speech Letter Aims to Silence Minorities

Silence and speech are important motifs throughout the novel, to the point that the contrast between the two becomes a recurring theme on both the personal and political level. The titles of two of the novel's sections deal with this theme as well: "Speaking with our Spirits" and "A Different Silence."
