Andrew Adamatzky - Wikipedia

For, a genuine utopia would be a world in which we not only find our rights and the rights of others respected, but also find ourselves living well both individually and collectively. That is to say, it would be a world in which the quality and satisfaction of our social interactions was high, in which we as individuals and society as a whole ...

The Utopian · A Rights-Based Utopia?

AP Images. From the colonial era on, the United States has had a rich array of self-contained utopian communities, walled off from the mainstream of life and dedicated to pursuing various notions of individual and collective perfection. Although economic factors often made such projects unsustainable in the long term and members tended to float away over time, some utopian and experimental ...

American Utopias | Britannica

Sir Thomas More wrote Utopia in 1516, describing a perfect political and social system on an imaginary island. This book popularized the modern definition of "Utopia" as being any place or situation of ideal perfection. The 19th-century utopian sects can trace their roots back to the Protestant Reformation.

In book 2, Raphael describes utopia, which saved his life after he, a former explorer with Amerigo Vespucci, had been hopelessly blown off course and lost. The purpose and achievement of utopia is the satisfaction, for all its citizens, of genuine human pleasures. The pleasures are to be genuine, for example a pleasure

Introduction - College of Liberal Arts

Far from being a dangerous techno-utopian fantasy, a genuine cash standard on the internet is simply a restoration of what was once ubiquitous and normal: transactional privacy and autonomy.
