Traditional and Modern Roles of Women in Judaism, Christianity, and Islam. The role of women in religions of the peoples of the world, especially in the Judeo-Christian group, seems insignificant just at the first glance. We will not see many women among the most common types of so-called "religious people", for example, among the prophets, saints and religious reformers, founders of religions or new trends in religions.

Jewish law, or halacha, recognises gender ambiguity, and has done so throughout Jewish history. However, unlike the modern concept of gender identity, this ambiguity is defined according to physical presentation (or lack thereof) and primary and secondary sexual characteristics. The concept of a Tumtum being a person of ambiguous gender and/or sex is dealt with, as is the concept of the androgynos, being a person characterised with elements of both genders
