Although launched with reluctant British participation, the campaign through southern France provided crucial support to the main Allied thrust against Germany, and remains one of the most successful-and often overlooked-operations of World War II.

### France's Second D-Day: Operation Dragoon and the Invasion ...

German forces withdraw from most of Southern France to the Vosges region. Operation Dragoon (initially Operation Anvil) was the code name for the landing operation of the Allied invasion of Provence ( Southern France) on 15 August 1944. The operation was initially planned to be executed in conjunction with Operation Overlord, the Allied landing in Normandy, but the lack of available resources led to a cancellation of the second landing.

The landing caused the German Army Group G to abandon southern France and to retreat under constant Allied attacks to the Vosges Mountains. Despite being a large and complex military operation with a well-executed amphibious and airborne component, Operation Dragoon is not well known; it came in the later stages of the war and was overshadowed by the earlier and larger Operation Overlord .

After all, there are plenty of affordable regions and cities in France to choose from, places where no one would dream of charging you €6 for coffee. Here are three places I'd put on my short list: 1. Lyon. The brilliant light of Paris often shadows this exceptional city in the Rhône-Alps region of France, but it's a mistake to overlook it.
