enclose the irregular shape of the motorcycle's upper body. Note the "C" shaped indentation near the front of the bike. Enclose a rounded triangular shape within the "C." Extend a curved line from this shape and double it back upon itself, forming the handlebar. Use a curved line to draw the remaining handlebar.

From the center of the rear wheel to the motor area, draw a thin rectangle with rounded ends and a small circle on the right side. To form the front fender, draw a curved line between the front tire and the handlebars. Add a small straight line to both ends of this curved line. Then place another curved line above the other one.
